MINDEN ROTARY CARNIVAL ATTRACTS 7,000

WHAT A PORTAGE!

TOP PRIZE FOR 'BEST DRESSED MAN' IN LAST WEEK'S MINDEN ROTARY CARNIVAL PARADE WENT TO THE MAN FOR HIS REALISTIC PORTRAYAL OF AN INDIAN CHIEF. ACTUALLY, HE IS AN INDIAN CHIEF, HE'S CHIEF KITPOU, A SHAMAN OF THE ALGONQUIN IN-

DIANS CURRENTLY RESIDING IN BRITISH COLUMBIA WHO VOLUNTEERED TO HELP MAN THE CAMP KANDOLONE FLOAT, CARRYING DOWN MINDEN'S MAIN STREET WITH CHIEF KITPOU IN DENISE INGRAM, 16, DAUGHTER OF IVAN INGRAM OF MINDEN.

This year's Minden Rotary Carnival, drew a total of 7,000 people to the rides and attractions last Wednesday and Thursday and in the process raised \$3,300 for the Minden Rotary Club's community service projects. Weather was cool but dry for the parade on Wednesday. Best Overall Entry was Campbell's Florists' 'The Beehive Express'. Winner of the Best Float-Ribbon category was L'Il Buckaroo Riding Ranch. Best decorated car was Steedman's flower car. The Highland Crest Senior Citizens was the Best Group prize. Chief Kitpo, a genuine Indian Chief now living in British Columbia who is a Shaman of the Algonquin was the Best Dressed Man award. Mrs. Hagg, owner of Miss Hagg's Hair Styling took the prize for Best Dressed Woman while Lawrence Frischoff was the Best on Wheels award. Following the two-day carnival, Minden Rotary Club President Bill O'Brien thanked all who contributed to its success, including the Carriage Aerobics Team and Macdonald's Expert for their help with the parade. Fifty-city drew winner was David Wright of Georgetown who was \$200.00.

Bottles break signs

Partying motorists who fill empty beer bottles at forest fire prevention road signs near Minden have destroyed seven signs so far this year. The city officials of the Ontario Ministry of Natural Resources which maintain the hazardous signs requested from wooded paths on all highways in forested areas of the province.

A broken beer bottle at the scene of which damaged sign has prompted Natural Resources' Crew Leader, Paul Balle, to publicly issue a warning to any motorist tempted to use the sign for target practice. Charges of vandalism: damage as well as damage under the Liquor Control Act may be laid against the culprit if caught. According to Balle, the cost

Jazz treat for Minden

They call them the happenin' boys of mainstream jazz that's the Illinois Jacquet Trio with Illinois Jacquet on tenor sax, Milt Robinson on organ and Jo Jones on drums and they'll be coming to Minden Community Centre August 9 for the Canadian Blues and Jazz Festival. Each of the trio have appeared with Jazz at the Philharmonic, the Newport Jazz Festival, the Monterey Jazz Festival and many outstanding engagements in Europe, Canada and the U.S. Special Festival guest is trumpeter Russell Jacquet who has been making his history playing with groups like the Tito Lubin Young, Jimmie Lunceford and Coleman Hawkins.

In the program the replacement of each sign has been about \$25.00.

Beautiful vocalist Miss JoJo Drake is the very special guest of the evening. Latest jazz update is that this young Canadian girl is on her way to the top list. With a repertoire ranging from boogie-woogie to 'jazz blues', she combines a unique singing style with thrilling stage performance to produce a sound that's both new and timeless. All of the Festival performers are inevitable guests of jazz and blues.

Minden was chosen as the site of this first Canadian Jazz Festival thanks to the efforts of Bill Robinson and the Minden Rotary Club. Proceeds from the event will aid the Community Service Projects of the Minden Rotary Club and in particular the Fire Control Cribbed Children's Centre.

2 die, \$20,000 in damages

Some 23 accidents claimed two lives, caused \$20,000 in damages and left 16 injured in the district's worst half-day weekend of the year. Richard Lawrence Turner, 22 of Oshawa was killed Sunday when he was pinned under his car in a head-on collision with a truck on Highway 121. The truck was a 1964 Ford F-100. Dr. R.E. Good was attending coroner.

Coroner Bernard, 14, of Kelowna was killed in a Saturday afternoon accident.

Advances made are available at the Minden Progress office, Rockville Hotel or at the Community Centre Hall (after 6 p.m.) on Aug. 9. (See page 2).

when a car driven by Betty A. Bellamy, 17, of Toronto entered Highway 20 from the Kilmichael turn on Highway 121 and collided with a south-bound vehicle driven by Susan Smith, 24, of Windsor. Miss Smith suffered cuts and bruises. Miss Bellamy received a fracture and concussion. Coroner Dr. R.E. Bellamy of Lindsay attended. David A. Thomson, 17, of Arranger was charged with careless driving following a collision Saturday on Hwy. 121, just west of the Kilmichael turn where he crossed the entire line and hit an oncoming car driven by Vincent Dal-dora, 15, of Windsor. Thomson received injuries in the \$2,500 accident. Charges of careless driving and driving on license were laid against Brian Smith,

No helmets brings fine

Five young men off for a Dominion Day swim who thought they could dispense with the required helmets for a three mile swim to Rock Lake were fined \$25 each in Minden traffic court Tuesday. The five - Jeffrey Cooney, 22, Robert Bellamy, 20, Barry Gribble, 21, Wayne McEwen, 20, and Dennis Townsend, 21, all of Wally were stopped and charged with failing to wear motorcycle helmets by OPP Constable Robert West.

22, of Ajax after he lost control of his vehicle on Hwy. 121 west of the Drug Lake Lodge turn Friday, entered the ditch and hit a tree. Smith and a passenger, James Leslie Smith, 21, of Wally both received cuts and bruises.

ON VACATION BACK IN SEPTEMBER

Telephone service comes to Haliburton County

By Lawrence, Frickard

In the Summer of 1921, a meeting was called to discuss a telephone system for Minden Township. It being favorable, three men were elected as commissioners and one as secretary-treasurer. Elected commissioners, I believe, were Tom Rogers, Frank Gartschke and Dr. Frahn. R.H. Baker was made secretary-treasurer.

These men were given authority to arrange for a township telephone system. They engaged Patterson and May as contractors to build a line from Minden village, to Carleton Place, erecting all poles, cross arms and necessary wires, including installing the switchboard at Minden. All material supplied by the contractor. The switchboard was installed in the James Hotel but was then owned by Reid Gaultie and was used as a boarding house. No hotel was needed then as everything was dry except the river and a few swampy spots.

This work was started October 20, 1921, 53 years ago. The Dymart and Shadepole systems started a few months previous and had a connection from the Shadepole switchboard at Haliburton, giving Minden their first phone connection to Haliburton in January, 1922.

The first connection to the outside world was started a year or so later by utilizing the one wire line that ran from Sowards general store, later owned by E.A. Rogers, to Klamout Station. This was a railroad system to a new switchboard. A two wire system was installed and connected to a new switchboard installed in Klamout on the Burnt River system which had a connection to Foulton Falls. This gave the area a connection through Klamout and Burnt River to Foulton Falls.

In the early 1920's Minden telephone subscribers turned down a proposal to build a direct line to Coburn which would have connected with the Bell system.

Shortly after this the Dymart system decided to run its own copper line to Foulton Falls, starting at Haliburton and ending in Alton bridge. From there to Minden pole span was provided on the Minden poles connecting to the Minden switchboard then taking the galvanic wire off from Minden to Klamout and installing the copper. The Klamout switchboard took care of the Burnt River system which had a connection through to Foulton Falls. Foulton Falls had the Burnt River system was overhauled from Klamout to Foulton, installing a few new poles and all new cross arms in order to provide placepans for the Dymart copper line. Once this work was completed from Klamout to Foulton and connected to the Foulton board it gave a direct line from Haliburton to Foulton Falls. It was completed I believe in August, 1926 and had taken most of two summers to complete.

In 1927 Dymart constructed a line to Gooderham and installed a few telephone there, giving Gooderham their first telephone service. This service was dated from Haliburton switchboard as one circuit. Sal Hadley, owner of Gooderham at that time, helped to take the pole line on Southern Road.

This is how my memory runs it up, and I won't say the dates, etc. are all correct, but I believe them to be very close.

But many changes have taken place since 1921, not only the telephone system, but a great step forward in many things, township roads, highways, etc. Especially the tourist industry, which is the county's greatest asset. As I have stated Minden's first telephone work was started October 20, 1921.

I started to work for Mr. Patterson's construction business. When his contract was finished in January, 1922, he gave me considerable money and suggested I be asked to do their maintenance work on the system. I took the job and in the winter of 1922 I attended a one week school at Haliburton on a telephone work.

Continued this work for ten years and during the last 1-5 years, I also worked for the Dymart system. During these years I constructed several new lines for both Minden and Dymart.

In the Dymart system I changed the line from the corner of the Old Gaultie Road near Haliburton to Gaultie's moving side street and installing cross arms and running wire lines to Gaultie's corner where the added distance to that district.

Also did the work on the first long distance line from Haliburton to Foulton Falls and connected it to the Foulton switchboard. I also built the line from Haliburton to Foulton, including a few places there.

Suggested this work and approached the corporation I received from both Minden and Dymart boards.

After Haliburton was secretary-treasurer at that time, the board and I had worked together the construction of the line. I believe it was one of the greatest things the system did.

UFO's BEYOND REASON

by
PETER G. SWEET

WHAT PROMINENT PEOPLE HAVE SAID

...Part 3

17th in a Series

Stanton Friedman, a nuclear physicist for the past fifteen years, has worked on the development of nuclear aircraft, nuclear power plants of space and Earth applications and fusion rockets. For over ten years he has studied and lectured throughout the United States and Canada on UFO's. He says the subject is 'the most challenging scientific problem of this or any age'.

In a paper presented before the Congressional Hearings on UFO's, which was held by the U.S. Committee on Science and Astronautics in Washington, in 1968, Friedman stated:

"Technological progress has come from doing things differently rather than using the same technique. Microcircuits aren't just smaller vacuum tubes and lasers aren't just better light bulbs.

A particularly interesting aspect of UFO data from all over the world is that many observations suggest what is being observed is a vehicle having a plasma region adjacent to it because of the glow associated with changes in velocity, luminous boundary layers, and the appearance on film of regions not seen by the naked eye.

During the past decade, a vast amount of our technology, much of it classified, has been developed concerning the interactions of airborne vehicles and plasmas. The development of lightweight, compact, high-field super-conducting magnets has also led to much work on the potential benefits to be derived from placing a magnet within a highspeed vehicle to interact with a plasma around the vehicle."

Speculating on why UFO's are quietly surveying our planet, he believes:

"They may want to establish a crop here for future harvest, with or without our permission."

Maybe we are somebody's colony and they are checking up on our development."

"They may know about some man-made or natural catastrophe about to occur on this planet, and are obtaining data prior to it."

"Perhaps they want to settle here. Earth is unique in the solar system in having both a high specific gravity (lots of metal) and lots of water."

Commenting on the setup of operation of private investigation bodies and if they are any guarantee of real contact being made with the alien pilots Stanton Friedman says: "That would depend a lot more on them than on us. Perhaps we first have to ask ourselves are we really serious about wanting improved propulsion systems and knowledge of extraterrestrial life."

A few years before her untimely death, Dorothy Kligglen, a Broadway columnist and television personality reported in the NEW YORK JOURNAL AMERICAN from London this story:

"I can report today on a story which is positively spooky, not to mention chilling. British scientists and airmen, after examining the wreckage of one mysterious flying ship, are convinced that these strange aerial objects are not optical illusions or Soviet inventions, but are actually flying saucers which originate on another planet. The source of my information is a British official of Cabinet rank who prefers to remain unidentified.

He says: "We believe, on the basis of our inquiries thus far, that the saucers were staffed by small men—probably under four feet tall. It's frightening but there is no denying the flying saucers come from another planet". (End of quote).

This official quoted scientists as saying a flying ship of this type could not have possibly been constructed on earth. The British Government, I learned, is withholding an official report on the 'flying saucer' examination at this time, possibly because it does not wish to frighten the public. When my husband (Richard Kollmer, Broadway producer and radio commentator) and I arrived in London for a brief vacation, I had no premonition that I would be catapulting myself into the controversy over whether flying saucers are real or imaginary."

EDITORIAL

A night to Remember

Minden never had it so good!

We're referring, of course, to this Friday evening's Canadian Blues and Jazz Festival in the Minden Community Centre.

What makes this such an outstanding event is the caliber of the performers: the Illinois Jacquet Trio and their special guests. They're just greats, all of them, veterans of such highly regarded modern music symposiums as Jazz at the Philharmonic and the Newport Jazz Festival.

That Minden has been able to grab them for this event and claim the rights to this first-of-its-kind Canadian Blues and Jazz Festival, is a remarkable achievement and it deserves our wholehearted support...every last one of us!

Actually, it's Minden's opportunity to embark on an annual project that could eventually mean as much to this community as the Shakespearean festival has meant to Stratford Ontario.

DOARS & GOOD SENSE

by WILLIAM J. MARTIN
Special Consultant to
Auto Financial Services

Dear Mr. Martin:

What happened to good old cash? It seems that if you don't have a few credit cards today, no one trusts you.

R.F.J.

Dear R.F.J.:

The credit cards are indeed a very convenient method for retailers to judge your general credit worthiness, and the wiser you seem to be, the more merchandise they will "trust" you with. The use of credit continues to increase each year, but good old cash isn't dead.

A recent report by the Federal Reserve Bank in San Francisco indicates that the use of coin and currency is also increasing. In 1973, that bank paid out some \$9.5 billion in cash, compared to \$8.4 billion in 1972.

Vending machines, newspaper dispensers, parking meters and other coin operated machines keep coin use up. In many areas, retailers have joined in programs to offer discounts to card carrying cash buyers, offsetting the cost of credit to the store.

Establishing good credit and having a few credit cards is simply good business these days, however. The proper use of credit can be a great budget aid, and in an emergency, credit can be a lifesaver.

Use your cash if you prefer, but keep a credit account or two. It's better than trying to beat the system.

GEE - THE DEATH RATE REALLY DROPPED AT 55 M.P.H.

GAS SHORTAGE ENDS

BUT, AS CARS INCREASE SPEED, IT'LL SOAR

Saving Lives

Recently released U.S. highway statistics indicate that so far this year highway traffic accident deaths in the U.S.A. have dropped by some 6,000. They say the only significant change that can possibly account for this dramatic drop in fatalities has been the reduction of highway speeds to a uniform 55 miles an hour, a national effort begun last Fall to ease that country's petroleum shortage.

Dead, six thousand bodies are a lot of bodies. Stretched end to end they would span close to six miles. Alive, they are something more...6,000 persons contributing to and enjoying a life they would otherwise have departed by now.

This startling and encouraging report from the U.S.A. merits close study by Canadian traffic authorities at all levels.

If, as it appears so far, reduction of highway speed limits to 55 m.p.h. will effect a significant saving of lives, then we should consider a similar speed limit reduction for our own highways.

Let's face it. Saving lives has to rate higher than those few extra miles an hour.

1020 N. Inkster Road,
Dearborn Heights,
Michigan, 48127.

To the Editor,
Minden Progress,
Minden, Ontario, Canada.

Dear Bill:

Sorry my renewal fee has been delayed, but I did not want to trust this letter and the money to Her Majesty's post office. This is not meant as a slap at the local post office people in Minden, but somewhere in between our house in a Detroit suburb and Minden, there must be somebody who doesn't believe in progress. Now somehow they are not very interested in the Toronto morning paper to which I subscribe, (to keep up on international news), as ninety-nine times out of a hundred, that paper arrives on our doorstep the day after printing. The Progress, however, arrives anywhere from five days to five weeks late. Sometimes we get two or three at a time! Maybe if Mr. Trudeau was to get a free complimentary subscription, he might find out the delaying point and appoint your friend Norm Malcom as a committee to improve postal services in Ontario. That would be a great service to us all, because I am sure he could find some way to improve just about anything in need of improvement.

Kindest regards to the staff.
Yours for Progress,

Dave Elliott.

Dear Sir:

After receiving many questions from different people around town, about how our project was going we decided we would write another letter to inform you and your readers just what we have accomplished thus far.

At present we have completed one complete hike trail approximately six miles long. It is a very scenic trail, much wildlife being viewed along it. We have also finished a canoe route from East Lake to Van Koughnet. This route includes several portages (one five hundred yards long which bypasses a beautiful water fall). Another canoe route from Margeratt's Lake to the South Jean Creek has almost been completed. The lakes in this area are really beautiful.

At the end of our project we will be printing a pamphlet explaining our routes in detail (their location, length etc) and we hope that people from our area will try their skills at hiking and canoeing along our trails.

Sincerely,
Muffy Ackersblade Kirk Hewitt
Harold Morgan Barb Payne
John Sandersen Laurie Brown

The Editor,
Minden Progress
Minden Ont.

Dear Sir:
I enclose five dollars for a further years subscription to an excellent newspaper.

I would like to say that when Mr. & Mrs. Bill Mole were with us for a short holiday we all went to the Ontario Science Centre. Here we were very pleased to locate the block for the huge quilt sent in by Minden Women's Institute and being an old member of Wexford Women's Institute when we were all farmland here in Wexford, Scarborough I was very interested.

Congratulations also to Candore Camp for the excellent exhibit of their birch bark canoe. It was a dandy. Many Thanks

Yours Truly

Mrs. Aileen Stirling

July 26, 1974

Editor
Minden Progress
Minden, Ont.

Dear Sir:
While watching tonight's news concerning parking meters in Wasaga Beach, it occurred to me how lucky we are in Minden. It is a credit to Reeve Reg Booth and the Township Council that they have not seen fit to follow just another method of "fleecing" the tourist, Minden's largest industry. I would certainly agree to restricted hourly parking on the main streets but the one-armed bandits installed in almost all tourist towns around us are a cheap symbol of nickel and diming the community's lifeblood. Congratulations, Minden. Yours sincerely,
Walter H. Barnes,
Mountain Lake.

SOME MORE FACTS ABOUT HALIBURTON COUNTY

(From the back of Registry Office Letterhead in the 1960's)

Haliburton County is only 110 miles (2 hour drive) north-east of Toronto, and is reached by a splendid new Provincial Highway passing through Lindsay and on through Coburn, Minden, Haliburton, Dorset and other points, or reaching the southern and eastern sections of the county through Fennell Falls and Kilmount on to Ironbridge, Gooderham, Terry Hill, Wilberforce, Highland Grove, etc. These roads pass many beautiful lakes, modern stores, inns, hotels, service stations and villages dot the County of Haliburton at frequent intervals.

Come to this 'New Playground of America'. Motor along among its many lakes of pure sparkling water, bathe in them and feel their invigorating freshness impart the 'fish of health' fish in them for Trout, Bass, etc., and taste the delicious flavor of fish fresh hooked from 'Highland Lakes', or roam in the cool, secluded, quiet places among the hardwoods, evergreens and silver birches for which Haliburton County is noted. Choose your lake shore property NOW in 'Beautiful Haliburton'.

Lake lago, with beaches of golden sand, at very reasonable prices may be obtained from property owners in all parts of the Highlands. Get your slice of Haliburton beauty this year, or you may be too late.

COMING CENTENNIAL EVENTS:

- Fri, August 9 - Minden Rotary Centennial Celebration - Canadian Blues and Jazz Festival at Minden Arena
- Sat, August 17 - Lions Centennial Street Dance, Dorset
- Sat-Sun, August 17-18 - Centennial Folklore Festival - Camp Kawlers (1/2 mile south of Otterbore, Highway #35)
- Sat-Sun, August 17-18 - Eastern County Centennial Weekend (Bicoff, Cardiff & Moonville)
- Saturday - Centennial Ball - Wilberforce Arena
- Sunday - Centennial Pancake Breakfast - Centennial Horse Draw
- Fri, August 16 - Gleanings Library Centennial Celebration - Theo Paschok at Gooderham
- Sun, August 18 - Monmouth Library Centennial Open House and Exhibition at Wilberforce.

BLANKS TAKE NAME

by Doreen Stinson

Mrs. Dorothy Vickers of Karrobert, Saskatchewan has been paying a visit to her twin brother, Mr. Thom Weir, his wife and family on Bushong Lake. Miss Maryjo Weir is also holidaying at the family cottage with a friend, Ken Rawlin and Miss Lindsey Wadsworth of Toronto spent the long week-end with Ken's parents at Alhamall House. Ken entered his niece and nephew in the Dorset Regatta on Monday and came in second in the race for his Class - congratulations Ken!

The Edwards' wedding took place on Sunday at St. Peter's Church, Maple Lake, with a reception following at Club M. A happy event took place at the home of M. and Mrs. William Richards. The celebration took place to honour the wedding of Mrs. Richards and her grandson Danny, who was the bridegroom.

The Annual Bazaar and Tea held last Wednesday by the Ladies' Guild of St. Stephen's Church was very successful and the women report that well over \$200.00 was realized for their efforts. The ladies work all year making articles for sale at this event and are always grateful for the response and enthusiasm from both local people and the tourists and visitors from the surrounding areas.

A lovely new red carpet has been laid in St. Stephen's Church, partly a gift from the Ladies' Guild.

We attended a well worth-while musicale last Thursday evening at the 'Ferry Hangers' School (now properly called the Leslie M. Frost Natural Resources Centre) when the Bush Youth Ensemble with Mr. Patrick Burroughs as Musical Director rendered an amazingly stimulating evening of music. Approximately 20 young men and women with violins, violas, cellos and bass instruments kept everyone enthralled with their ability and pleasing mixture of both serious and amusing repertoire of pieces. We noticed Marilyn Stouffer was there with several members of the Carynson Church choir.

Last Thursday evening several local people also attended the pictures which the Rev. Andrew Hutchinson and Mr. Lloyd Johnson took when on their visit to the Holy Land last Spring. Those who went from Hal's Lake said their enjoyment was immense and remarked on how well the two men explained each picture. These were shown at St. Peter's church, Maple Lake.

Mr. & Mrs. Robert Conway from Orchard Park N.Y. are at their cottage "Blue Bay".

NOTICE

THE REGULAR MEETING OF BRICKLA LODGE 6440 WILL BE HELD IN THE MASONIC TEMPLE AT 8.00 P.M. ON FRIDAY, AUGUST 9 FOR THE PURPOSE OF CONDUCTING GENERAL BUSINESS AND CONFERRING DEGREE. WE WISH TO EXTEND A WELCOME TO ALL SUMMER VISITORS.

1 - 165 ft. frontage, low type shoreline - \$15,000.00.
2 - 225 ft. frontage, spring water, excellent shoreline - \$24,000.00.

Minden Booster

Shown above in a picture reprinted from the Toronto Globe and Mail is Miner's Bay summer resident and Minden booster Janet Percy, complete with Rockcliffe Hotel T-shirt, helping Graham Collier, 12, study addition by the use of a pagheboard at a summer day camp for artistic children. The children have difficulties with speech and learning and often have poor motor control. The camp provides educational lessons for the children as well as the usual camp recreation.

Goll-ee!

Stompin' Tom Connors came to Minden last Friday and thrilled some 2,400 persons with a two-hour, toe-tapping concert, but no one got a bigger thrill out of Stompin' Tom's appearance than Progress summer receptionist, Rose Ann Klein, 16 year-old Halliburton Highlands Secondary School student, who met Stompin' Tom and had her picture taken with him before the show. Asked if he had visited Halliburton County in his old hitch-hiking days, Tom said: 'This is one of the few places left in the country I haven't seen until now. It's wide open. It's clean. It's country and I'd like to come back again soon'.

COMMENTS FROM PERROTT'S PERCH

The summer of our Centennial year is more than half over and it has been a busy one any way you may look at it. At the Information Booth Marina Arntfield and Judy Boke have been very busy guiding our visitors in many ways. As in past years the question asked most frequently is "where are the washrooms?" It is a question that should be able to be answered in the affirmative and I think it would be one of the most worthwhile projects for any local group or Council, to build adequate facilities at the Welcome Centre.

The Chamber is embarking on their 1975 Haliburton Highlands Year book and we hope to have the best book ever published. It will be the only booklet published by the Chamber and it will be distributed widely throughout the U.S.A. and Canada. It will also be sent to all those who inquire about any goods, services and accommodations available in the Highlands.

There will be many pages in color, depicting some of the beauty spots in the County, and advertising space will be available to members on a first come basis. Interest in the book has been very high, especially with it being the only one printed.

Time is important as we have a deadline early in the Fall. As quickly as I can I will be calling to solicit your aid. Let us all get behind this Chamber project and help make good things happen in the Haliburton Highlands.

For any information phone 286-1760

ABOUT THE TOWN

with Jeannie Sears

This year's Rotary Carnival was crowded both nights. The Parade had a Centennial Theme and the entries were excellent. Thursday night at 7, four light airplanes gave an excellent performance of their skill; we didn't get up where the noise was but had an excellent view as did many others from their homes. The Rotarians are to be congratulated on two evenings of excellent entertainment for young and old.

Persons in hospitals include Harold Rice in Toronto General, Gary Vasey at Ross Memorial and Junior Barry at a local one. Also, Molly Locke is in Riverdale Hospital, Toronto. All their friends send good wishes to them.

The U.C. had a good sale of Baked Goods, Friday morning but wouldn't you know raining again so they were in Sudbans. (Gerry, Ellsworth is very obliging) and all the goods sold promptly.

Saturday was a busy one at the Curling Club - the morning was the business sale and at 11 with Auctioneer Doug Pritchard the goods were sold. The crowd was generous and articles sold quickly. We know this sale must have been a good deal of effort on the part of the members, but everyone likes an Auction Sale.

Last Tuesday was a Buffet Supper at the Home of Mr. and Mrs. Stan Sarjeant of Orillia in honour of Mr. and Mrs. John Bumister and family of Epsom, Downs England who are holidaying with their parents.

Richard Parisotto is away for a visit with his family who are holidaying in Northern Ontario and all will return later this month.

Audrey and Bert Chamberlain and Doug have returned home after a 2 week holiday at their cottage in this County and visits with the Glenn Stamps and the Bill Moores. Congratulations to Sherry and Eric Cooper on the arrival of their new daughter Jodie Marie.

I accept it, I know it.
You are not going to be
The class president.
The valedictorian,
Or the neatest child in the country.
But you know something
I wouldn't trade you for
Six votes or Seven A's
But once - just once
Couldn't you comb your hair
And wear clean pants?

A Mother - Lots Wyse.

There was a Friendship Tea at the home of Mrs. Chris Laxier on Thursday afternoon, in honour of Mrs. J. Bumister. Pouring tea was Mrs. Stan Sarjeant of Orillia and assisting were Chris Delbo and Rose Waters, Mr. and Mrs. Harold Todd and family of Richmond Hill were visitors with Mrs. Alice Todd. Lloyd Johnson will be showing the Slides of the Trip to the Holy Land at Minden United Church Hall Tuesday August 13th at 7:30 p.m.

This year as usual there will be the Fine Horse Show in a separate Ring at Minden Fair. The Horse Drawing Contest is an Annual Event and of great interest to many. Hopefully there may also be pony rides for the youngsters as well - don't forget the dates Aug. 23 and 24th.

We note that Yvonne Beauchamp had her stand set up beside Bob's T.V. exhibiting Indian Crafts for sale. She was unfortunate in losing her other crafts in the Curiosity Shop fire. The crafts she has at her stand are authentic Indian ones, so stop in for a look even if you don't buy anything.

Mr. and Mrs. Don Berry enjoyed the Family gathering at Parry Sound on Sunday. Gleg Sears, Louise and Bernice of Toronto were weekend guests with the Milson Sears.

Gerald Coulter of Toronto was a weekend guest with his parents Mr. and Mrs. Angus Coulter. Linda Adams of Lindsay spent a few days last week with Mr. and Mrs. Bill Moore.

Guests with Mr. and Mrs. Bob Hughes were Mr. and Mrs. Blake Hughes and Amy of Port Credit.

We heard that Shipping Sears Order Office will be closing after the 15th any orders will be coming through the Post Office.

Sincere sympathy to the family and friends of the late Bill King whose funeral was last week.

Mr. and Mrs. Lou Clayton of Physically Artisan spent the weekend with Mr. and Mrs. Glenn Stamps.

Some accidents over the weekend - roads are slippery when wet. Drive and swim safely and enjoy your holiday.

Cheers until next week.

Rotary project

Minden's Rotary Club is lending a helping hand to physically handicapped children as part sponsor of the Five Counties Children's Centre in Peterborough. In fact, proceeds from the club's Canadian Blues and Jazz Festival here in Minden this Friday will go towards this worthwhile project. Above, Peterborough mayor, Phillip Turner and Mrs. Helen Willoughby turn the first sod for the construction of the \$950,000 Rotary Club-sponsored Children's Centre. It is slated for completion in the fall of 1975 and will be used as a residential school and treatment centre for physically handicapped children. Clair Hilborn, President of the Rotary Club of Peterborough, Carroll Clinco, President of the Centre and Peterborough MPP John Turner were also on hand for the ceremony.

SENIOR SOFTBALL

DOMINION HOTEL - PORT CREDIT TIE HARCAURT TOURNAMENT

Dominion Hotel Shufflers and Port Credit played to a 2-2 tie in the Annual Harcourt Senior Softball tournament in Harcourt on Saturday.

Port Credit jumped into a 2-0 lead in the fourth off starting Shufflers pitcher Syd Cooper, but Dominion got this back in the top of the seventh to force extra innings. However, the Umpires called the game in the top of the eleventh because of torrential rain.

Jack Seel took over for Syd in the fourth and pitched scoreless ball the rest of the game for Dominion. Eric Moore of Dominion was the most valuable player of the game.

Carling Breweries will award each team \$75 and each player on the two teams individual trophies.

Dominion reached the finals by defeating Bramwell 8-4 Friday evening 10-5 and then ousted pre-tournament favorites, Bramwell Wades, 6-1 Saturday afternoon.

Ernie Cook was the hero of both wins for Dominion, hitting two three-run homers in the first game, and then added another three-run blast in the second contest when brought in to pinch-hit for Larry Kent.

This tournament came within an eyelash of being an all-Minden final, as Gull River Softball had a heartbreaker 5-1 in Port Credit.

The game was a five inning affair due to rain. Gull River scored what they felt was the winning run in the top of the fifth inning to go up 1-0. However, Port Credit won the game in the bottom of the inning on a hit sacrifice (Rosenberg) and two errors. The most costly of which was a fly out by Gull River in left field by Subban. Ken Lewis.

This was the third game of the tournament with the final as Port Credit scored two runs on an error, a hit batter and two fielder errors. Gull River scored runs on one hit and two Port Credit errors.

Gull River led in the semi-final when Ray Mendenham scored, 2-0. Cook struck out only pitched up the win for Shufflers, but also struck two three-run home runs. Neil Burt also hit a three-run homer for Gull River.

WEST GUILFORD

1974 LEAGUE CHAMPIONS

In a sudden-death game played to decide first place and the Senior League Championship, West Guilford edged Dominion Hotel 6-1 in Haliburton on Thursday evening. This was perhaps the finest game of the season in the Senior league.

Larry Sawyer gave West Guilford a 1-0 lead in the third inning when he singled to right, advanced to second on error by the second baseman for Shufflers and scored on George Nichols single to right. West Guilford opened the score to 2-0 in the fifth when Ernie Bink played, stole second and scored on Sawyer's single to centre. Dominion cut the margin in half in the sixth when Dave Tremper and Dave Della hit back to back doubles. Della hit back to back doubles. Della then stole third and was caught at the plate trying to steal home to end the Dominion rally. West Guilford added two insurance runs in the eighth on a single by Craig Stamp and back to back doubles by Bob Woodcock and Wade Stamp.

Craig Stamp picked up the victory for Redmen, giving up one run on eight hits and two walks while handing out Jack Seel took the loss, allowing fourteen hits, six walks and struck out four.

ROSENBERG INCREASES

OPEN LEAD

After five complete rounds of the Minden Shufflers Open Golf tournament, Ken Rosenberg holds a commanding twenty-one stroke lead, with a total of 285. The Open is a 36 round tournament with 2220 in prize money at stake. Doug Smith still holds down second place with 328. Bob Seel 439 to 442.

Other five round scores are Bill Payne 437, Dave Joyce 442, John Smith 452, Tom DeLoe 461 and Al Vandervall 462.

There are four other golfers who have not yet completed five rounds, Leigh Bell, Ross Paveson, Hugh Nichols and J.O. Jackson. Come on fellows, how about catching up to the pack.

DOMINION HOTEL FORCES SUDDEN-DEATH PLAY-OFF

Dominion Hotel Shufflers won their final two games of the season this week and in doing so, forced a sudden-death play-off game with West Guilford. Both teams finished the regular season in first place with identical 16-2-1 records. The play-off game will take place on Thursday evening in Haliburton at 7:30 p.m.

On Monday evening in Minden, Dominion downed Gull River Softball 6-3. Jack Seel posted up his twelfth win of the season for Dominion, giving up three runs on eleven hits, four walks and struck out four. Jack also helped his own cause by hitting a two-run homer over the right field fence, his seventh homer of the year.

Neil Burt hit the seventh homer of the season in a losing cause for Gull River.

On Wednesday in Minden, the Shufflers made it a close scrap of their four game series with Vasey's Midglows, this time by the more respectable score of 5-3.

Gene Howell hit his second homer of the year for Dominion. Ray Miller chalked up his fourth win without a loss, allowing just two runs on twelve hits.

West Guilford clinched a share of first place with Dominion Hotel on Sunday in West Guilford when they thrashed Vasey's Midglows 17-2.

Craig Stamp the Redmen's twenty-one hit outburst with a five for five performance at the plate, including his longest hitting two-run homer. He also scored three times and knocked in seven more runs. Larry Sawyer's hit was only alive in the past couple of games as he increased his batting average 40 points in the past two games. Larry had five hits in six at bats while Floyd Seery was four for six.

Craig played up his seventh win of the season for Redmen while Tim Bink suffered his fourth setback.

On Tuesday evening in Haliburton, the Shufflers edged Vasey's 12-11 to eliminate the Midglows from any chance of a play-off spot.

Jim Bink hit the Shufflers' eighth win of the season, of the season, a three run blast in the fourth.

The Redmen appeared to be on their way to a real when they had a 12-1 lead at the end of four. However, the Midglows' sudden death and started playing ball in the fifth. They scored six runs in the inning, added another in the sixth and three more in the seventh. Warren Dominion played up his first home run of the year in the fifth, for Vasey's.

Ernie Cook got the win for Shufflers while Tim Bink took his fifth loss.

GULL RIVER BEATEN

BY THE RAIN

On Sunday evening the Gull River Softball had a 7-3 lead at the end of four innings on the West Guilford Redmen, when the skies opened up and a downpour washed out the game. This was the first game of the best of seven semi-final play-offs.

The unfortunate part of it all was the two home runs hit by Wayne Johnson and the one towering blast by Redmen's Floyd Seery are wiped out as well as the game.

The two teams will go at it again on Thursday evening in West Guilford at 6 p.m.

The All-Star Softball are coming in slowly to date, but should participate in picking this team. This is your chance now to have your team picked. In the past either the secretary or this sports writer has picked the team and there have been a lot of complaints. So let's get a paper, the Minden Program at the Haliburton Hotel, clip out the ballot and send it to either paper or just bring it to one of the offices and drop it in the ballot box, but do it. There are some people confused by the three lines at the bottom of the ballot. This "Write in" is for players not listed on the ballot. Or, if you wish write in your player or to the three most valuable players in the league and at what position.

On July 16 the Minden Ladies opened their season at home with a fantastic 53-10 lambasting of their arch rival Haliburton.

The Minden offense was led by Faye Mansfield, Beth Cully, Janet Fitchett and Norma Burt all of whom hit home runs.

Linda Berry picked up the win for Minden.

On July 23 here in Minden the Ladies made it three wins without a loss when they downed visiting Gooderham 22-4. Linda Berry and Janet Fitchett each had home runs for the winners and Linda chalked up her third straight victory.

On July 30 in Gooderham the Minden Ladies suffered their first loss of the season, 20-24 to Gooderham.

On July 30 here in Minden the Ladies routed Chatham 11-1. Linda Berry was again the winning pitcher bringing her season's record to 6-1. The win enabled Minden to take over sole possession of first place in the league, two points ahead of Carmarvon.

INTER-COUNTY SENIOR SOFTBALL
PLAY-OFF SCHEDULE and 1974
O.A.S.A. PLAY-OFF SCHEDULE

Aug 2, 74

DRY GOODS AND FASHIONS

Today, when any lady wants a new dress, it's quite a simple matter for her to enter a fashion shop and choose from rack upon rack of garments of every color, size or style, but in the old days before the turn of the century, the housewife not only made her own clothes, but also the children's clothes, unless she could afford the services of a dressmaker. Very few women could afford that luxury in those days.

The dry-goods department of the general store was a very important section for it was stocked with bolts of cottons, woollens, linens, linings, buttons, ribbons, braids, etc.

Delving into the old 'daybook' I find some very interesting purchases.

For instance on Sept 18th 1893 a Mr. Henry Jones purchased 4 yards of 'Cashmere' at 35¢ per yard, the 4 yards costing him \$1.40.

I have endeavored to locate Cashmere, but find that it is no longer on the market; neither Eaton, Simpson or any of several stores that I have visited carry it. If it could be purchased, I am sure that it would cost many dollars per yard as it is made only in Cashmere, India.

On the same date Sept 18th Mr. Richard Davis bought 5 yards of dress goods @ 14¢ per yard.

On Sept. 20th Mr. John Graham purchased the following

1 yard velvet - 60¢ 10 yards cotton at 5¢ - 50¢
2 yards lining at 10¢ - 20¢ Total \$1.30
At today's prices: 1 yard velvet \$4.98
10 yards cotton \$7.90
2 yards lining \$2.40
Total \$17.28

On Sept. 20th Miss Annie Gahner bought 2 yards Velvetosee at 60¢ - \$1.20
2 yards dress braid - 15¢ 30¢ 2 yards lining at 11¢ - 22¢
Total \$1.72

Today's cost would be
2 yds. velvetosee @ 4.98 9.96
2 yds. braid @ .63 1.26
2 yds. lining @ 1.20 2.40
\$13.74

The mention of Annie Gahner brought to mind the fashions of the turn of the century for Annie was a dressmaker and was also the organist of St. Paul's Anglican church which also brings to my mind the choir of the church. In the old days a woman would never think of entering a church without a hat, neither would she be seen in a dress that did not cover her from her chin to her toes.

The choir was composed almost entirely of women, and their attire was really something to behold as no two women would ever think of wearing the same cut or color of dress, hat or coat. As a rubed choir was unheard of in those days, I leave it to your imagination what St. Paul's choir looked like. It was a medley of colors, shapes and sizes.

Women's shoes were generally high bottomed boots but were seldom exposed to view as the ladies skirts covered their ankles.

When I started to write this week's 'Then and Now', I had no idea of bringing up an odd but rather interesting religious situation that existed in the Noice family in those bygone days. To be a good Methodist, one had to be a crusader against the evils of drinking, smoking, swearing and above all, card-playing. A deck of cards in a home meant that the devil had his foot in the doorway. My father was a Methodist and a staunch one at that. He neither drank, smoked or cursed, and each Sunday evening he could be seen striding up to the Methodist church with his Methodist hymn book under his arm. But he had one failing, he loved a game of 'Pedro', so the devil had his foot in our doorway.

I cannot say for sure that the old Methodist church had a choir but if they had, I imagine that they presented somewhat the same appearance as the Anglicans except that perhaps they were somewhat more somber colors. Like card playing, bright colors were taboo in the Old Minden Methodist church.

One often hears the saying 'in the good old days'. In many ways the old days were good, but something was missing, seldom, if ever, did one get a glimpse of a shiny necktie or slippers lower than, for the fashions of the day dictated that the limbs be covered.

But, on the other hand, many limbs seen on Minden's streets today should have a covering, but not all of them.

J. Joseph C. Coneybeare.

Upper Canada Grad.

J. Joseph C. Coneybeare, son of the Rev. and Mrs. John T. Coneybeare of Richvale, Richmond Hill, recently graduated from Upper Canada College.

He was appointed Head Boy of the college for 1974 and won the Governor-General's medal. He also won the Joseph Hetherington Bowles Prize in English; the James Scott Prize in Mathematics and an Ontario Government Scholarship to Queen's University, Kingston, where he will take up residence this fall.

Joseph is employed for the summer in Calgary, Alberta.

MEETINGS

Stanhope Township council

All Members Present.

Moved by Jim Harrison seconded by Al Rawlins Be it resolved that the minutes of the regular meeting held June 5, 1974 be adopted as circulated. Carried.

Moved by Elvin Johnson seconded by Ken Whitney Be it resolved that the Township of Stanhope donate \$25.00 to the Carnarvon Ladies Ball Team. Carried.

Moved by Jim Harrison seconded by Ken Whitney Be it resolved that Council recommend to the Ministry of Transportation and Communications that they take over the Park at Buttermilk Falls on the stipulation that the Ministry install coloured lights on the falls and rock faces as an "evening tourist attraction, as well as a beautiful daily picnic area". This has been the intent of Council for some time and

council would like to see the Ministry progress with this program. Carried.

Moved by Al Rawlins seconded by Elvin Johnson Be it resolved that the Corporation of the Township of Stanhope contact the Ministry of Natural Resources requesting that grants for Municipal Park development already approved by considered a solid commitment. Municipalities find themselves in an untenable position, when, after having proceeded with a plan approved by the Ministry, they now find that 50% of funds necessary to complete the Project may not be forthcoming. Carried.

Moved by Al Rawlins seconded by Elvin Johnson Be it resolved that Council support the resolution passed by the Township of

Pittsburg requesting that Provincial Legislation be introduced which would authorize the increase of present monthly penalty for the non-payment of taxes to Municipalities. Carried.

Moved by Jim Harrison seconded by Al Rawlins Be it resolved the clerk invite Mr. George A. Hamilton, Director of the Leslie M. Frost Natural Resources Centre to the next council meeting. The purpose of the meeting will be to get further explanation on the purpose of this new project. Carried.

Moved by Jim Harrison seconded by Ken Whitney Be it resolved the clerk contact Mr. D. R. Swan, advising the Bucksale Road has or will be receiving a dust control treatment which should eliminate his problem. Carried.

Moved by Jim Harrison seconded by Elvin Johnson Be it resolved that Council strongly support the resolution passed by the City of Nanticoke, regarding a recommendation that a provincial lottery be introduced, the funds of which would be set aside to be used by Municipalities in case of undue financial burdens from natural disasters such as flood, wind etc. Carried.

Moved by Ken Whitney seconded by Elvin Johnson Be it resolved Council inform the Ministry of Natural Resources that Claim # 1/73 for subsidy on expenses which occurred on the development of the Hawk Valley Park, was for the year 1973 and the work approved by the Ministry, prior to commencement. Carried.

Moved by Elvin Johnson

seconded by Ken Whitney Be it resolved the clerk inform Mr. Peter Hone, his request for the purchase of the old school house cannot be considered as it is now privately owned and the Stanhope Recreation Club is simply using the facilities of the grounds for the summer. Carried.

Moved by Ken Whitney seconded by Al Rawlins Be it resolved that Mr. Leon H. Dragon be informed that municipal records indicate the original allowance for road along the shore of Maple Lake, in front of Lot 27, Co. 6 has not been stopped up and closed. Carried.

Moved by Elvin Johnson seconded by Jim Harrison Be it resolved that general accounts totalling \$7,151.73; June Welfare totalling \$345.05 and Road Voucher #

6 amounting to \$10,725.27 be allowed for payment. Carried.

By-Law 74-17 to authorize the Reeve and Clerk to execute documents relating to a fire protection agreement with the Townships of Anson, Hindon and Minden, was received and read a first time. Carried.

By-Law 74-17 was read a second time and referred to a committee of the whole Council with Jim Harrison appointed chairman. Carried without amendment.

By-Law 74-17 as reported by the committee of the whole was read a third time, passed, signed and sealed. Carried.

Moved by Jim Harrison seconded by Elvin Johnson Be it resolved this meeting be now adjourn at 1 a.m., until August 14 at 7 p.m., unless called sooner by the Reeve. Carried.

Council of Anson, Hindon and Minden

13th meeting

The thirteenth meeting of the Council of the Townships of Anson, Hindon & Minden was held in the Council Chambers of the Municipal Building Wednesday, July 10, 1974 commencing at 8:00 a.m.

Present were Reeve Reg Booth in the Chair, Deputy Reeve Douglas Pritchard, Councillors S. Brandon, A. Conybeare, R. Gorrie, Richard Parnett, Clerk-Administrator, J. Carl Hewitt, Road Superintendent, Richard C. Schell, By-law Officer.

R. Gorrie-S. Brandon: That the minutes of the meeting of June 26th, 1974 be approved. Carried.

Membership request was received from the Ontario Association of Rural Municipalities. No action was taken in this regard for the present.

S. Brandon-R. Gorrie: That the Vault Sub-committee of the Minden Cemetery Board be authorized to meet with the Ingleby Cemetery Board to discuss vault facilities, pursuant to the report of the Board dated June 28, 1974. Carried.

Mr. Lionel Howe was

present regarding a depression on Anson Street that is affected seriously by flooding, becoming impossible. Council directed that the section be raised to alleviate the problem.

D. Pritchard-S. Brandon: That approval be given to purchase one intake, two exhaust and two circulatory fans for the risk area of the community centre at a cost of \$2,693.94. Carried.

Mr. Bob McCollum of Ontario Hydro was present to outline the details and costs of the proposed straightening programme.

R. Gorrie-D. Pritchard: That the proposal of Ontario Hydro for the development of a complete straightening area for Carnarvon be approved at an approximate annual charge of \$999.00 in addition to the capital outlay of \$515.00. Carried.

R. Gorrie-S. Brandon: That the proposal outlined for the beautification of the Municipal Building grounds and the southern entrance to the Village be approved at an increased annual charge of approximately \$124.00. Carried.

Letter was received from

Mrs. B. Cryderman requesting a building permit. The applicant to be advised to comply for same through the Building Inspector's Office.

Correspondence was received from Ministry of Transportation and Communications and Mr. E. G. Skirrow regarding a reduced speed limit of the Blairhampton Road. Mr. Skirrow is to be advised that the limit could not be reduced as the Ministry's regulations require a higher density of development before such action would be approved.

Letter was received from Charles and Elizabeth Topp regarding trees posing a hazard on park land near Lake Kashagwigamog. The By-law Officer is to investigate and arrange a possible solution to the problem.

Letter was received from Mr. C. Hobbs expressing concern about the appearance of the Minden Tire Sales yard and requesting compliance with the by-law. Council visited the property in question and received assurances from the owner that action would be taken immediately.

D. Pritchard-S. Brandon: That the surcharge of 1974 Membership dues in the amount of \$24.00 for the Haliburton Highlands Chamber of Commerce be approved. Carried.

The Clerk was directed to reply to the Ministry of the Environment expressing the Municipality's position on the matter of office accommodation for the purposes of the Ministry in Minden.

The Road Superintendent reported that the culvert change requested by Mr. Victor Bormack has been made. There is doubt that the change will meet the expectations of benefit by the applicant.

Letters were received from Mr. Don Hall and Mrs. Alison E. Bearn regarding the condition of the banks on Gull river. Council visited the sites in question and directed that remedial action be taken at the earliest date.

R. Gorrie-A. Conybeare: That the following items be purchased for the Fire Department at an approximate cost of \$600.00:

1. Floating suction strainer

1 1/2" fog nozzle
2 spare air tanks
300' 1 1/2" hose

Carried.

Letter was received from the Lake Kashagwigamog Tourist Association requesting Duck to Dawn Lights at the intersection of Highway #121 and the Kashagwigamog Lake Road. As this is a junction of a provincial highway and a county road, the Municipality will approach those bodies with regards to this proposal.

D. Pritchard-S. Brandon: That the Road Accounts be approved in the amount of \$31,383.65. Carried.

A. Conybeare-R. Gorrie: That the Accounts be approved in the following amounts:

General \$94,896.01
Water 6,488.46

Carried.

R. Gorrie-S. Brandon: That Applications #74-32 to #4-35 under Section 639(A) of the Municipal Act be approved in the amount of \$1,651.66. Carried.

A. Conybeare-D. Pritchard: That the following applications under Section 639 (B) of the Municipal Act be approved

Roll 31305000201 - That an assessment of \$80.00 be established for Ruth Shiriff being an apportionment from George Jewett.

Roll 31305000201 - That an assessment of \$1700 be established for Ruth Shiriff being an apportionment from George Jewett. Carried.

Mr. R. B. Allison, P. Eng., District Municipal Engineer was present on request to discuss the procedures for the general use of Municipal equipment. The procedures were outlined to the satisfaction of Council.

R. Gorrie-S. Brandon: That By-law 74-25, having been read a first time be considered as read a second and third time and passed. Being a By-law to amend By-law 74-67 to correct the numbering sequence thereof. Carried.

R. Gorrie-D. Pritchard: That By-law 74-26 having been read a first time be considered as read a second and third time and passed. Being a By-law to authorize the sale of land acquired by tax registration. Carried.

R. Gorrie-A. Conybeare: That we now adjourn. Time 4:55 p.m. Carried.

and

14th (special) meeting

The Fourteenth Meeting (Special) of the Council of the Townships of Anson, Hindon and Minden was held in the Council Chambers of the Municipal Building Wednesday, July 24, 1974 commencing at 8:00 a.m.

Present: Reeve Reg Booth in the Chair, Deputy Reeve Douglas Pritchard, Councillors S. Brandon, A. Conybeare, Richard Parnett, Clerk-Administrator, Richard C. Schell, By-law Officer.

S. Brandon-A. Conybeare: That the minutes of the meeting of July 10, 1974 be approved. Carried.

Council directed that a municipal flag be prepared for entry in parades and if possible, in time for the Rotary Carnival Parade.

Letter was received from Mrs. Blanche Cryderman

requesting that entrance to her property from the road allowance adjacent to the property be restored to their original condition. Mr. Bruce Nesbitt be so advised. Carried.

Mr. Roger Johnson was present to discuss a possible Minor Variance application. While the authority for granting minor variances remains exclusively in the jurisdiction of the Committee of Adjustment, it was generally felt that Council would submit its opinion on this unusual application for the benefit of the Committee's deliberations. After being discussed thoroughly, the matter was referred back to the Applicant and the Building Inspector to determine the maximum variance required for the project.

S. Brandon-A. Conybeare: That one model 515 Telescope Portable Scaffold be purchased from Up-right Scaffolds Ltd. at a cost of \$1,538.90. Carried.

Mr. and Mrs. Gardiner were present on behalf of the Bartlett Estate regarding the finalization of the agreement pertaining to the subdivision. The various outstanding matters were discussed and the applicant will advise the Clerk of their wishes in the matter.

Letter was received from Mr. Sinclair Nesbitt requesting re-zoning of property for a trailer park and camp. The applicant is to be invited to the next meeting to discuss the proposal.

The Clerk was directed to prepare a report on the need for storage for various municipal equipment and

supplies primarily at the Community Centre.

D. Pritchard-S. Brandon: That Applications #74-36, 75-57 and 75-59 under Section 639(A) of the Municipal Act be approved in the amount of \$230.00. Carried.

A. Conybeare-D. Pritchard: That the M.T.C. be requested to place Stop signs at Mountainview Drive, 12 Mile Lake Road, old Highway at Garner's Hill and Jordan Drive. Carried.

That we do now adjourn. Time: 12:00 P.M. Carried.

TODAY'S HEALTH

'Look before you leap' can prevent water accidents

by David Woods

"Come on in, the water's fine," is an expression often heard at this time of year.

But before you accept, make sure you know what you're getting into.

Last year in Ontario, 483 people drowned—a fact that should indicate caution in even the most experienced swimmers and boat enthusiasts. It's no accident that those who are professionally involved with boats and water sports are highly alert and disciplined in matters of safety.

Before venturing into unfamiliar waters, check that there's a firm, safe bottom with no sudden drop-offs, no rocks or weeds, no strong currents. Above all, never dive into strange water; one of the most common water accidents is a spinal injury from a head-on dive into shallow water.

Once you've made sure that the swimming area itself is safe, don't take the risk of swimming alone; no matter how strong a swimmer you may be, you could run into trouble and need help.

Children playing near a pool, a lake or the sea should be supervised at all times. It's possible to drown in as little as three or four inches of water. The best precaution is to teach youngsters the basics of water safety, and to enrol them in swimming classes as early as possible. Never let non-swimmers rely on rafts, inner tubes or inflatable toys.

There are some other common-sense precautions for swimmers. Wait two hours after eating before going in the water; never swim after dark — and don't be overconfident.

You may be able to swim 50 yards out from the shore, but what about the trip back?

Avoiding danger in the water is one thing. But you should also know something about coping with it for others. To help someone in trouble in the water, you should know how to throw a lifebelt or rescue line, and how to give mouth-to-mouth artificial respiration. It's worth remembering that, for those who have sustained spinal injuries, the water can act as a splint until help arrives; removing them from the water — if they're not in danger of drowning — may make matters worse. And remember, mouth-to-mouth resuscitation can be applied while in the water.

Many drownings are associated with boating. Always wear a lifebelt. Never overload the boat, and, if you take a ducking, hang on to the boat even if it has capsized. A boat is much easier for rescuers to spot than a swimmer would be.

The Canadian Red Cross Society recommends that if someone falls overboard, you don't go in after him: extend a pole or an oar for him to grab. If he's out of reach, throw something he can use as a float — if there's no lifebelt, a gas can, a thermos jug or a plastic cooler will do.

To improve water safety, the Ontario Government passed a law this January, requiring public swimming-pool owners to provide one or more reaching poles at least 12 feet long, a fracture-board for recovering and transporting those who incur spinal injury in the water, and a comprehensive first-aid box.

But, for the most part, it's up to you to make sure the water's fine.

Proud papa: Dazed but delighted, the proud father walked into the nursery where his quintuplet daughters were being cared for.

"You mustn't come in here," cautioned the nurse, "you're not sterile."

"Lady," said the proud father, "you can say that again."

Food Sense in Canada- NUTRITION PLAIN TALK

FALL-FAIR TIME FOR EATING

When was the last time you went for a ride in the country, maybe visited one of those smaller town fall fairs, or spread a checkered tablecloth by the side of the road and satisfied a warm day's appetite with sandwiches and cool lemonade?

It sounds like a great way to spend a family day, especially when you know that rural exhibitions really haven't changed much since childhood days. Remember the scent of the prize smoked ham, the colourful designs of the patchwork quilts, and the sweetness of the candied apples?

Why not pack a family expedition lunch and try it soon? Your picnic basket might include Cinnamon Rolls, Orange Fold-overs, a big jug of fruit juice or old-fashioned iced-tea, cool celery or carrot sticks, and sandwiches. Ham Salad sandwiches are a savoury treat everyone is sure to like, and they are nutritious. The ham itself is full of protein, and the bread, the most under-rated part of any sandwich is bursting with 'B' vitamins and iron. The bread is low in fat, low in calories, and even low in sugar.

This lunch is sure to give you and yours enough energy to round off any day in the country!

Ham-Salad Sandwiches

2 cup diced cooked ham 1/2 cup mayonnaise
1/2 cup finely diced celery 1 lbs. prepared mustard
1 lbs. grated onion

Blend all ingredients together. Makes 6 sandwiches.

Cinnamon Rolls-Ups Serves 4

Blend 4 tablespoons butter or margarine, 1/2 cup brown sugar and 1 teaspoon cinnamon in a bowl. Trim crusts from 8 slices white bread; roll out flat; spread with butter mixture; roll up; place on a cookie sheet. Brush with melted butter. Bake in 425°F. oven for 10 min. or until toasted.

Orange Fold-overs 4-6 Servings

Mix 1 package 3 ounces cream cheese, and 1/2 cup orange marmalade in a bowl. Spread 1 lbs. on each of 10 slices white bread; fold diagonally; press edges to seal. Place on cookie sheet; brush with cream; sprinkle with coconut and sugar. Bake in 400°F. oven for 10 min. or until toasted.

A Wise Word

to

Property Owners

Most property owners desiring to sell, believe by listing their property on M.L.S. through any real estate board that Realtors and Salespersons throughout the land will receive a picture along with a copy of the listing and will be working to sell their property.

'WRONG'

There are approximately 43 real estate boards in Ontario. Most Realtors and Salespersons belong only to their own local board. Therefore, in most cases only receive the listings from this board.

To ensure that you receive proper servicing on the sale of your property in the Victoria-Haliburton area, be sure to list with a member Realtor, located in this area.

The LINDSAY-HALIBURTON REAL ESTATE BOARD consists of 239 members willing to help sell your property for you.

FORTHCOMING MARRIAGE

Mr. and Mrs. Nelson Austin are very happy to announce the forthcoming marriage of their youngest daughter, Dorothy Margaret (MARGO) to Paul Lavorn, son of Mr. and Mrs. Holly Stinson, West Gullford on Saturday August 24, 1974 at 4 o'clock at St. Paul's Anglican Church, Minden.

THOMAS - David and Diane are pleased to announce the birth of Catharine Minden, on July 24, 1974, at Binghamton, N.Y. Happy grandparents are Mr. and Mrs. Walter Thomas; Whitney Point, N.Y. and Mr. and Mrs. George Dennis, Big Hawk Lake, Ontario.

CARD OF THANKS

The Minden Curling Club wishes to thank everyone for their contributions of articles to our auction and rummage sale and also the members for all their help and support.

Thank you Dr. Koval for attending my son Paul when he stepped on a nail while visiting in Minden on business; and he forgot to leave the 2nd behind. You were very kind and gentle when I brought Paul, nail and board to your hospital recently. Don Hillard, Haliburton.

IN MEMORIAM

FORD-KING, Samuel William - Suddenly at Minden, Ont. on Monday, July 29, 1974, William Ford-King, beloved husband of Nellie King, loving father of Ethel (Mrs. William Walker), Brampton, Jean (Mrs. A. England), Barrie, Ellen (Mrs. G. Minner), Willowdale and Bruce, Stayner, Ont. also survived by 17 grandchildren and 5 great grandchildren. The funeral service was held from The Thompson Funeral Home, 29 Victoria St., error on Thurs. Aug. 1 at 1:30 p.m. Interment Heise Hill Cemetery.

PIPHER, Clarence E.

at the Joseph Brant Memorial Hospital, Burlington, Ontario, on Tuesday, July 30, 1974, Clarence E. Pipher, 500 Charlotte Rd. Burlington, formerly of Minden, aged 72 yrs. Beloved husband of Audrey Hauer, dear father of Mrs. Keith O'Connor (Marjorie), Burlington, Mrs. Keith Culp (Shirley) Danville, Keith, Kitchener, Kenneth, Woodstock, and Ivan, Grimsby. Also surviving are four sisters, four brothers, 13 grandchildren and four great grandchildren. Friends were received at Smith's Funeral Home, 485 Brant St., Burlington. A private family service was held Friday afternoon August 2, 1974 with interment in Chapel Hill Memorial Gardens. Mr. Pipher was a member of Arcadia Lodge No. 400 A.P. & A.M., Minden. Memorial contributions to Canadian Cancer Society appreciated.
